

Minnesota Alliance for Patient Safety (MAPS).

March 17, 2011

Minnesota Hospital and Healthcare Partnership.

<https://psnet.ahrq.gov/issue/minnesota-alliance-patient-safety-maps>

The Minnesota Alliance for Patient Safety (MAPS) is a partnership among the Minnesota Hospital Association, Minnesota Medical Association, Minnesota Department of Health, and more than 50 other public-private health care organizations to improve patient safety. Site highlights include information on their "Patients as Partners" campaign.
