

Hand Hygiene in Healthcare Settings.

February 28, 2024

Centers for Disease Control and Prevention

<https://psnet.ahrq.gov/issue/hand-hygiene-healthcare-settings>

The [hand hygiene](#) guidelines represent part of a U.S. Centers for Disease Control and Prevention (CDC) strategy to promote patient safety by reducing infections in health care settings. The site includes fact sheets, a press kit, and other materials to help implement the guidelines.
