

Score Your Safety Culture.

March 28, 2005

Reason J. Flight Safety Australia. 2001;5(1):40-41.

<https://psnet.ahrq.gov/issue/score-your-safety-culture>

James Reason's checklist to help an organization determine if it has installed and sustained a [safety culture](#). The tool is drawn from his thinking in [Managing the Risks of Organizational Accidents](#).
