

Paediatric adverse drug reactions reported in Sweden from 1987 to 2001.

June 22, 2009

Kimland E, Rane A, Ufer M, et al. Paediatric adverse drug reactions reported in Sweden from 1987 to 2001. *Pharmacoepidemiol Drug Saf.* 2005;14(7):493-9.

<https://psnet.ahrq.gov/issue/paediatric-adverse-drug-reactions-reported-sweden-1987-2001>

The authors analyze [adverse drug reaction](#) (ADR) reports from a national system. They conclude that the system serves as a valuable data collection method for understanding ADRs in the pediatric population.
