

Patient safety: is it just another bandwagon?

December 9, 2008

Storch JL. Patient safety: is it just another bandwagon? Nurs Leadersh (Tor Ont). 2005;18(2):39-55.

<https://psnet.ahrq.gov/issue/patient-safety-it-just-another-bandwagon>

The author advocates critical assessment of the patient safety movement and suggests a stronger focus on the relationship between nurse staffing and patient outcomes.
