

## Team communication in the operating room.

September 11, 2018

Davies JM. Team communication in the operating room. Acta Anaesthesiol Scand. 2005;49(7):898-901.

<https://psnet.ahrq.gov/issue/team-communication-operating-room>

---

The author presents sample cases from aviation to illustrate failures in team communication and uses principles from [crew resource management](#) and [human factors](#) to describe characteristics of good communication.
