

Teaching and medical errors: primary care preceptors' views.

September 10, 2009

Mazor KM, Fischer M, Haley H-L, et al. Teaching and medical errors: primary care preceptors' views. Med Educ. 2005;39(10):982-90.

<https://psnet.ahrq.gov/issue/teaching-and-medical-errors-primary-care-preceptors-views>

The authors interviewed preceptors on how they teach medical trainees to learn from and respond to mistakes. They also identify barriers to education in this context.
