

Daytime sleepiness, sleep habits and occupational accidents among hospital nurses.

February 22, 2010

Suzuki K, Ohida T, Kaneita Y, et al. Daytime sleepiness, sleep habits and occupational accidents among hospital nurses. *J Adv Nurs*. 2005;52(4):445-53.

<https://psnet.ahrq.gov/issue/daytime-sleepiness-sleep-habits-and-occupational-accidents-among-hospital-nurses>

The authors found a significant relationship between daytime sleepiness and certain occupational errors among hospital nurses.
