

Radiology reporting—where does the radiologist's duty end?

March 8, 2006

Garvey CJ; Connolly S.

<https://psnet.ahrq.gov/issue/radiology-reporting-where-does-radiologists-duty-end>

The authors present U.S., European, and U.K. positions on the radiologist's responsibility in communicating urgent or abnormal radiology results and focus on the need for better communication standards in the United Kingdom.
