

Medical error identification, disclosure, and reporting: do emergency medicine provider groups differ?

May 24, 2010

Hobgood C, Weiner B, Tamayo-Sarver JH. Medical error identification, disclosure, and reporting: do emergency medicine provider groups differ? Acad Emerg Med. 2006;13(4):443-51.

<https://psnet.ahrq.gov/issue/medical-error-identification-disclosure-and-reporting-do-emergency-medicine-provider-groups>

The investigators had physicians, nurses, and emergency medical technicians review 10 vignettes illustrating error. They found variances between the three groups in identification of error and the likelihood of disclosure and reporting.
