

## **The ethics and practical importance of defining, distinguishing and disclosing nursing errors: a discussion paper.**

March 29, 2006

Johnstone MJ; Kanitsaki O.

<https://psnet.ahrq.gov/issue/ethics-and-practical-importance-defining-distinguishing-and-disclosing-nursing-errors>

---

The authors provide a definition of "nursing error," discuss the importance of disclosing nursing errors, and advocate for a non-punitive system.
