

Exploring strategies for reducing hospital errors.

June 17, 2014

McFadden KL, Stock GN, Gowen CR. Exploring strategies for reducing hospital errors. J Healthc Manag. 2006;51(2):123-136.

<https://psnet.ahrq.gov/issue/exploring-strategies-reducing-hospital-errors>

The authors surveyed health care quality directors on the perceived value of seven strategies for minimizing [error](#). They found gaps in the perceived need versus the implementation of these improvement mechanisms.
