

White blood cell left shift in a neonate: a case of mistaken identity.

June 21, 2006

Mohamed IS; Wynn RJ; Cominsky K; Reynolds AM; Ryan RM; Kumar VH; Lakshminrusimha S.

<https://psnet.ahrq.gov/issue/white-blood-cell-left-shift-neonate-case-mistaken-identity>

The authors present a case study illustrating the value of taking a family medical history when caring for infants.
