

## **The patient safety battles—put on your armor.**

July 14, 2010

Denham CR.

<https://psnet.ahrq.gov/issue/patient-safety-battles-put-your-armor>

---

The author likens the field of patient safety to a battle, describing the roles of the various "combatants" (stakeholders) and using literary metaphors to outline the systemic approach to preparing for this battle.
