

Transfer of accountability: transforming shift handover to enhance patient safety.

December 22, 2010

Alvarado K, Lee R, Christoffersen E, et al. Transfer of accountability: transforming shift handover to enhance patient safety. Healthc Q. 2006;9 Spec No:75-79.

<https://psnet.ahrq.gov/issue/transfer-accountability-transforming-shift-handover-enhance-patient-safety>

The authors describe one hospital's initiative to develop evidence-based handoff guidelines, a pilot study of their use, and the observed impact of the guidelines on patient care in that facility.
