

Development and implementation of a patient safety program in an academic, urban emergency department.

January 7, 2011

Blank FSJ, Henneman PL, Maynard AM, et al. Development and implementation of a patient safety program in an academic, urban emergency department. Journal of emergency nursing: JEN : official publication of the Emergency Department Nurses Association. 2006;32(6):491-6.

<https://psnet.ahrq.gov/issue/development-and-implementation-patient-safety-program-academic-urban-emergency-department>

The authors describe the implementation of a reporting program in an urban tertiary care facility, data elements collected from the reports, and improvements that were implemented in response to findings.
