

Medication errors in mental healthcare: a systematic review.

March 28, 2011

Maidment ID, Lelliott P, Paton C. Medication errors in mental healthcare: a systematic review. Qual Saf Health Care. 2006;15(6):409-13.

<https://psnet.ahrq.gov/issue/medication-errors-mental-healthcare-systematic-review>

The authors identified gaps in the research base on medication errors in mental health care and found a paucity of evidence, especially for ambulatory settings.
