

Effect of computerisation on the quality and safety of chemotherapy prescription.

May 27, 2011

Voeffray M, Pannatier A, Stupp R, et al. Effect of computerisation on the quality and safety of chemotherapy prescription. Qual Saf Health Care. 2006;15(6):418-21.

<https://psnet.ahrq.gov/issue/effect-computerisation-quality-and-safety-chemotherapy-prescription>

The authors describe their successes with significantly reducing chemotherapy prescription errors through the use of a [computerized physician order entry](#) system.
