

A systems approach to patient-centered care.

January 10, 2011

Bergeson SC, Dean JD. A systems approach to patient-centered care. JAMA. 2006;296(23):2848-51.

<https://psnet.ahrq.gov/issue/systems-approach-patient-centered-care>

The authors suggest system-level changes to help health care professionals ensure that they deliver patient-centered care.
