

What cannot be said on television about health care.

February 1, 2011

Emanuel EJ. What Cannot Be Said on Television About Health Care. JAMA. 2007;297(19).

doi:10.1001/jama.297.19.2131.

<https://psnet.ahrq.gov/issue/what-cannot-be-said-television-about-health-care>

The author discusses how changes in language used to describe health care reflect a shifting public perception of the US health care system. This shift involves increasing recognition that errors do occur and that the health care system is flawed.
