

When my father died.

September 29, 2011

Van Spall HGC. When my father died. *Ann Intern Med.* 2007;146(12):893-894.

<https://psnet.ahrq.gov/issue/when-my-father-died>

The physician author recounts the story of her father's death—a death that she feels was preventable and caused, in part, by errors in judgment made during his care.
