

Improving patient safety in radiotherapy by learning from near misses, incidents and errors.

September 30, 2011

Williams M. Improving patient safety in radiotherapy by learning from near misses, incidents and errors. Br J Radiol. 2007;80(953):297-301.

<https://psnet.ahrq.gov/issue/improving-patient-safety-radiotherapy-learning-near-misses-incidents-and-errors>

The author discusses the lack of a [safety culture](#) within the UK radiotherapy community and outlines opportunities for improving reporting, information sharing, and feedback to enhance the safety of radiotherapeutic care.
