

## **Severity of medication administration errors detected by a bar-code medication administration system.**

October 1, 2008

Sakowski J, Newman JM, Dozier K. Severity of medication administration errors detected by a bar-code medication administration system. Am J Health Syst Pharm. 2008;65(17):1661-6. doi:10.2146/ajhp070634. <https://psnet.ahrq.gov/issue/severity-medication-administration-errors-detected-bar-code-medication-administration-system>

---

Most medication errors detected by a [barcoding](#) system were not clinically significant, but errors in the medication ordering and administration process remained common overall despite use of barcoding.
