

Getting by: underuse of interpreters by resident physicians.

February 18, 2011

Diamond LC, Schenker Y, Curry LA, et al. Getting by: underuse of interpreters by resident physicians. J Gen Intern Med. 2009;24(2):256-62. doi:10.1007/s11606-008-0875-7.

<https://psnet.ahrq.gov/issue/getting-underuse-interpreters-resident-physicians>

Resident physicians reported relying on family interpreters or their own second language skills when caring for non-English-speaking patients, even though the physicians acknowledged that use of professional interpreters could benefit patient care.
