

Beyond "see one, do one, teach one": toward a different training paradigm.

February 25, 2009

Rodriguez-Paz JM, Kennedy M, Salas E, et al. Beyond "see one, do one, teach one": toward a different training paradigm. Qual Saf Health Care. 2009;18(1):63-8. doi:10.1136/qshc.2007.023903.

<https://psnet.ahrq.gov/issue/beyond-see-one-do-one-teach-one-toward-different-training-paradigm>

This commentary reviews how the current method for educating physicians-in-training affects patient safety and recommends an alternate teaching model incorporating safety culture.
