

Medication administration process assessment: applying lessons learned from commercial aviation.

March 11, 2009

Donahue M, Brown JP, Fitzpatrick JJ. Medication administration process assessment: applying lessons learned from commercial aviation. J Nurs Admin. 2009;39(2):77-83. doi:10.1097/NNA.0b013e318195a5e6. <https://psnet.ahrq.gov/issue/medication-administration-process-assessment-applying-lessons-learned-commercial-aviation>

This article describes how one hospital used an aviation safety assessment method to examine the medication administration process in one surgical and two medical units.
