

Roundtable on public policy affecting patient safety.

March 16, 2011

Crane RM, Raymond B. Roundtable on Public Policy Affecting Patient Safety. J Patient Saf. 2011;7(1):5-10. doi:10.1097/pts.0b013e31820c98cd.

<https://psnet.ahrq.gov/issue/roundtable-public-policy-affecting-patient-safety>

This publication summarizes patient safety leaders' observations of changes made in the decade following [*To Err is Human*](#). The discussion offers suggestions for further improvement of patient safety initiatives and research, including developing an educational campaign and creating clearer goals for patient safety activities.
