

Safety culture of nursing homes: opinions of top managers.

April 6, 2011

Castle NG, Wagner LM, Ferguson JC, et al. Safety culture of nursing homes: opinions of top managers.

Health Care Manage Rev. 2011;36(2):175-187. doi:10.1097/HMR.0b013e3182080d5f.

<https://psnet.ahrq.gov/issue/safety-culture-nursing-homes-opinions-top-managers>

Managers and nursing directors at nursing homes had a generally positive impression of institutional [safety culture](#). This finding contrasts with [prior research](#) on the views of staff nurses, whose perceptions were less favorable.
