

## Hospital Compare.

May 13, 2021

Centers for Medicare & Medicaid Services.

<https://psnet.ahrq.gov/issue/hospital-compare>

---

The Centers for Medicare and Medicaid Services (CMS) provides consumers with publicly available information on the quality of Medicare-certified hospital [care](#) through this Web site. The site includes specific information for both patients and hospitals on how to use the data to guide decision-making and improvement initiatives. Most recently, listings from the [Hospital-Acquired Condition Reduction Program](#) (HACRP) and data on Department of Veterans Affairs hospitals were added to the reports available.
