

Medical reconciliation in patients discharged from the emergency department.

September 20, 2012

Sharma AN, Dvorkin R, Tucker V, et al. Medical reconciliation in patients discharged from the emergency department. J Emerg Med. 2012;43(2):366-73. doi:10.1016/j.jemermed.2011.05.080.

<https://psnet.ahrq.gov/issue/medical-reconciliation-patients-discharged-emergency-department>

This study found substantial inaccuracies in the medication histories provided by emergency department patients, calling into question the ability of emergency departments to conduct effective [medication reconciliation](#).
