

Advancing Successful Care Transitions to Improve Outcomes.

February 11, 2015

Society of Hospital Medicine

<https://psnet.ahrq.gov/issue/project-boost-mentored-implementation-program>

This Web site provides resources associated with the Better Outcomes for Older adults through Safe Transitions project, called [Project Boost](#). This national initiative designed tactics to improve the safety and quality of patient transitions from [hospital to home](#). The program provided hospitals with implementation assistance to use [tools](#) in general and specifically for their environments, such as pediatrics.
