

Approaches for improving continuity of care in medication management: a systematic review.

December 29, 2014

Spinewine A, Claeys C, Foulon V, et al. Approaches for improving continuity of care in medication management: a systematic review. *Int J Qual Health Care*. 2013;25(4):403-17. doi:10.1093/intqhc/mzt032. <https://psnet.ahrq.gov/issue/approaches-improving-continuity-care-medication-management-systematic-review>

This systematic review did not identify any clearly superior strategies of accomplishing [medication reconciliation](#) improvement at either hospital admission or hospital discharge.
