

The concept of shared mental models in healthcare collaboration.

June 17, 2014

McComb SA, Simpson V. The concept of shared mental models in healthcare collaboration. J Adv Nurs. 2014;70(7):1479-88. doi:10.1111/jan.12307.

<https://psnet.ahrq.gov/issue/concept-shared-mental-models-healthcare-collaboration>

This concept analysis examines how shared mental models can improve teamwork and recommends that this concept be integrated into training programs to improve care quality.
