

Assigning a team-based pager for on-call physicians reduces paging errors in a large academic hospital.

April 20, 2014

Shieh L, Chi J, Kulik C, et al. Assigning a team-based pager for on-call physicians reduces paging errors in a large academic hospital. *Jt Comm J Qual Patient Saf.* 2014;40(2):77-82.

<https://psnet.ahrq.gov/issue/assigning-team-based-pager-call-physicians-reduces-paging-errors-large-academic-hospital>

This study reports on the implementation of a standardized [team-based paging](#) system at an academic medical center, which helped nurses identify the correct physician for patient-related communications.
