

Veterans' Access to Care through Choice, Accountability, and Transparency Act of 2014.

October 3, 2017

HR 3230, 113th Congress: 2014.

<https://psnet.ahrq.gov/issue/veterans-access-care-through-choice-accountability-and-transparency-act-2014>

The Veterans Affairs (VA) health system has both achieved [success](#) and struggled to provide safe care to its patients. In an effort to address [shortcomings](#) in care, this bill allocates additional funding to the VA. Goals of this legislation include regulating and improving staffing levels, enabling veterans to access non-VA facilities, and enhancing patient access to telemedicine.
