

## **The Helsinki Declaration on Patient Safety in Anaesthesiology: the past, present and future.**

December 19, 2014

Mellin-Olsen J, Staender S. The Helsinki Declaration on Patient Safety in Anaesthesiology: the past, present and future. *Curr Opin Anaesthesiol.* 2014;27(6):630-634. doi:10.1097/ACO.0000000000000131. <https://psnet.ahrq.gov/issue/helsinki-declaration-patient-safety-anaesthesiology-past-present-and-future>

---

Examining anesthesia safety in Europe following the recommendations outlined in the 2010 [Helsinki Declaration](#), this review describes how [checklists](#) and an [implementation toolkit](#) contributed to progress and suggests areas requiring further work to achieve the document's goals.
