

## **Is there light? Well it depends—a grounded theory study of nurses, lighting, and medication administration.**

December 16, 2015

Graves K, Symes L, Cesario SK, et al. Is There Light? Well It Depends--A Grounded Theory Study of Nurses, Lighting, and Medication Administration. Nurs Forum. 2015;50(4):241-51. doi:10.1111/nuf.12107. <https://psnet.ahrq.gov/issue/there-light-well-it-depends-grounded-theory-study-nurses-lighting-and-medication>

---

This qualitative study found that bedside nurses frequently experienced difficulty with medication administration due to inadequate lighting in patient rooms. The effect of the physical environment on patient safety has been discussed in a previous [PSNet perspective](#).
