

Josie's Story: A Patient Safety Curriculum.

June 1, 2016

Kaprielian VS, Sullivan DT, eds. Chapel Hill, NC: Josie King Foundation; Duke University School of Medicine; 2013.

<https://psnet.ahrq.gov/issue/josies-story-patient-safety-curriculum>

The [experience](#) of Sorrel King and the death of her daughter has motivated health care [leaders](#) and the industry to improve patient safety. This curriculum provides a set of materials that incorporates lessons from *Josie's Story* into existing educational programs.
