

Workplace team resilience: a systematic review and conceptual development.

June 10, 2020

Hartwig A, Clarke S, Johnson S, et al. Workplace team resilience: s systematic review and conceptual development. *Org Psychol Rev.* 2020;10(3-4):169-200. doi:10.1177/2041386620919476.

<https://psnet.ahrq.gov/issue/workplace-team-resilience-systematic-review-and-conceptual-development>

This systematic review examined nature of workplace team [resilience](#), how it is defined, the individual factors associated with team resilience, and the relationship between individual- and team-level resilience. The results of the review informed the development of a theoretical framework conceptualizing team resilience and integrating different conceptual components of team resilience.
