

Driving Learning and Improvement After RCA2 Event Reviews.

January 11, 2023

Collaborative for Accountability and Improvement. January 26, 2023.

<https://psnet.ahrq.gov/issue/driving-learning-and-improvement-after-rca2-event-reviews>

[Root cause analysis](#) (RCA) is a recognized approach to examining failures by identifying causal factors to define improvement effort. This session discussed [challenges](#) to the effective use of RCA results and examine an [approach](#) to present them that supports effective improvement action.
