

Intraoperative communications between pathologists and surgeons: do we understand each other?

September 6, 2023

Wiggett A, Fischer G. Intraoperative communications between pathologists and surgeons: do we understand each other? Arch Pathol Lab Med. 2023;147(8):933-939. doi:10.5858/arpa.2020-0632-oa. <https://psnet.ahrq.gov/issue/intraoperative-communications-between-pathologists-and-surgeons-do-we-understand-each-other>

[Miscommunication](#) between pathologists and surgeons can lead to [significant](#) patient harm. This study identified multiple discrepancies between pathologist-listed diagnoses included in intraoperative consult notes compared to surgeon-dictated operative notes. Discrepancies were most common in multipart cases and those involving deferrals.
