

## Smart Healthcare Safety.

October 4, 2023

Plymouth Meeting PA, ECRI. 2019-2023.

<https://psnet.ahrq.gov/issue/smart-healthcare-safety>

---

A wide variety of considerations must converge to inform an understanding of [system vulnerabilities](#) and the application of [strategies](#) to address them. This series of webinars covers a range of topics affecting the [reliability](#) of the health care environment. A recent presentation discussed the “[5 rights](#) of medication safety.”
