

## Interrogating and uprooting systemic racism in the emergency department.

September 25, 2024

Sangal RB, Khidir H, Agarwal AK. Interrogating and uprooting systemic racism in the emergency department. JAMA Health Forum. 2024;5(8):e242347. doi:10.1001/jamahealthforum.2024.2347. <https://psnet.ahrq.gov/issue/interrogating-and-uprooting-systemic-racism-emergency-department>

---

In a busy emergency department, individuals may rely on [heuristics](#) that unknowingly undermine [equitable care](#). This commentary highlights how actions such as selection of patient care queuing and subjective decision-making can be generated by implicit [racial biases](#). The authors suggest triage protocols and partnering with patients to design process solutions.
