

AHRQ National Healthcare Safety Dashboard.

December 18, 2024

AHRQ National Healthcare Safety Dashboard. National Action Alliance for Patient and Workforce Safety.
<https://psnet.ahrq.gov/issue/ahrq-national-healthcare-safety-dashboard>

The AHRQ National Healthcare Safety Dashboard is one approach to tracking progress in the United States on patient and [workforce safety](#) using measures prioritized by national programs. The site provides centralized access to data from the AHRQ [Patient Safety Indicators \(PSIs\)](#), hospital Medicare adverse events, CMS hospital reporting programs, and [hospital patient safety culture](#) surveys.
